## *Family Matters at Carver*

The Carver Community Childcare program is a state-licensed program that uses the Creative Curriculum to provide child centered environments in literacy, math, science, writing art and music for ages 6 weeks to 12 years old. For the convenience of our clients, Carver Community offers quality childcare during 1st and 2nd shift hours. The mission of the program is to promote a healthy learning environment for all children to achieve the social, emotional, intellectual, and physical well-being necessary for the effective growth leading toward future successes.

### **The Purpose/Goal of the childcare program is:**

1. To treat each child as an individual
2. To promote self-confident learners through developmentally appropriate practices
3. To encourage active participation of the entire family and the community

### **To achieve our goals, it is our objective to:**

1. Encourage parent/family reading and related activities with their children
2. Increase childcare providers' knowledge of literacy- related issues among children
3. Increase parents/families' and childcare providers' knowledge and skills associated with early childhood development practices
4. Expand access to quality

## **2019 Accomplishments**

# Youth Programs

## *Opportunity Inspires at Carver*

The youth program provides fun and enlightening after-school and out-of-school educational programs for students in grades K-12. Pathfinders is a 6-week project-based learning series focusing on Science, Technology, Engineering, Art, and Math. The after-school Program is offered weekdays from 2:30-5:45pm, at both the Carver Neighborhood Center and the CK Newsome Community Center. Youth Activities Include:

- ✔ Homework Assistance/Tutoring
- ✔ Digital Recording Studio
- ✔ Drug & Alcohol Prevention
- ✔ TV Production & Editing Lab
- ✔ Art & Music Education
- ✔ Health, Fitness, and Nutrition
- ✔ Life Sports & Recreation
- ✔ Science & Computer Labs

It is the purpose/goal of the Carver youth program to impact school age children & youth living in underserved communities through the increase of academic achievement, self-esteem, and life opportunities. Carver also strives to raise children's self-determination skills and self-esteem, to empower parents, and to develop meaningful adult relationships with participants.

### To achieve our goals, it is our objective to:

1. Increase post-secondary knowledge & preparation
2. Prepare students to be at or above appropriate reading levels by the end of third grade
3. Expand youth opportunity for enrollment in safe, high quality after school and out of school activities
4. Increase accessibility for youth to have opportunities to explore future career opportunities
5. Increase healthy behavior in youth and decrease high risk behavior

## 2019 Accomplishments

## *Connectivity Thrives at Carver*

### **Senior Recreation Program**

The Senior Recreational Program promotes lifelong learning and keeps participants informed of many options available to them as well as decreasing isolation taking greater advantage of limited community resources. The objectives are to enhance participants feeling of social connectedness, usefulness, and overall well-being in order to ultimately allow participants to age in place and remain an active part of their family and community. Activities include arts and crafts, board and table games, health and wellness speakers, screenings and education, book reviews and studies, music appreciation and performance.

#### **2019 Accomplishments**

- ✧ 251 days of programming provided
- ✧ 109 seniors enrolled in the program.
- ✧ Offered outings and evening activities to participants

### **AARP Foundation Experience Corps**

Evansville AARP Foundation Experience Corps Evansville is an intergenerational program that engages adults 50 and older as tutor volunteers to provide tutoring and mentoring services to students in K-3rd grade. AARP Foundation Experience Corps is a proven program made up of tutor volunteers who are dedicated to helping children become great readers before finishing third grade. Tutor volunteers work collaboratively within the schools, changing the course of a child's life by sharing their wisdom and experience. Our goals are to improve children's literacy skills, strengthen our communities, help develop cultures of inspiration in our schools and support our hardworking teachers. Our AARP Foundation Experience Corps Evansville volunteers have already changed the lives of hundreds of children in our community. Most teachers report a moderate or strong impact on reading and literacy performance and on moving students toward reading on grade level. Teachers also report that the volunteers make an impact on regular attendance, reduced disruptive behavior, and participation or concentration.

#### **2019 Accomplishments**

- ✧ Approximately 171 or more students received sustained 1:1 small group tutoring
- ✧ Students received 2,911 hours of tutoring from 25 volunteer tutors
- ✧ The EC Evansville program served 36 classrooms in 6 schools as well as afterschool locations
- ✧ 62% of students who were below grade level at the beginning of the year improved their reading and literacy performance by the end
- ✧ 97% of teachers and administration reported that EC tutors had a moderate or strong influence on student reading and literacy performance as well as social and emotional growth.

## RSVP (Retired & Senior Volunteer Program)

One of the largest senior volunteer networks in the nation, RSVP matches the interests of persons 55 and older with rewarding volunteer opportunities in the community at local non-profits, healthcare facilities, governmental agencies, and faith-based organizations. Carver has been the sponsor of RSVP Evansville-Vanderburgh since April 2009. The dual purpose of the program is to engage older adults in volunteer service to meet the critical needs within the community and to provide a high-quality experience to enrich the lives of the volunteers.

RSVP Evansville-Vanderburgh is funded in part by the Corporation for National and Community Service (CNCS) and sponsored by Carver Community Organization. RSVP volunteers give of their time by providing transportation, companionship, and support to homebound adults, commonly referred to as Aging in Place. Volunteers assist with increasing food security by providing education, referrals and food to low income individuals. Volunteers provide support for multiple veteran service projects including socialization, support, and work to increase veteran food security. Additionally, volunteers serve within disaster preparedness by hosting blood drives and working with the American Red Cross in other disaster relief. Volunteers provide support to thrift stores, sorting donations to prepare for reuse, repurposing and/or resell and keeping materials out of local landfills each year.

## 2019 Accomplishments

- ✧ Enlisted 71 volunteers in service at 43 stations for 6,735 hours; saving the volunteer stations over \$183,000 in one year
- ✧ Volunteers provided support to over 350 veterans
- ✧ Processed over 15 tons of materials at local thrift stores
- ✧ Provided Aging in Place services to more than 15 homebound individuals
- ✧ Assisted more than 1,000 individuals who participated in the Volunteer Income Tax Assistance (VITA) Program, resulting in over \$1.4 million in refunds to low income families
